Welcome!

Office Hours: Monday-Thursday 8:00-1:00 & 2:00-5:00

Medical Information: Please provide us with a list of your medications. Be sure to tell us if you need to be pre-medicated before dental procedures, or if you are pregnant.

Insurance: Insurance is a contract between you and the insurance carrier. We will be happy to file your insurance as a courtesy. The ultimate responsibility of payment is with the patient. We require full payment at time services are rendered.

Non-Insurance: Payment is due at time services are rendered. For Crowns and Bridges 50% is due at the initial visit for preparation. The remaining 50% is to be paid, in full, upon delivery, same applies to Dentures & Partials.

Dental Emergencies: Payment is due at time of service. We will gladly supply you with the information you need to file your insurance, upon request.

Children: We prefer parents not accompany their children into the treatment room. Our experience is that they do better by themselves. We will request the presence of one family member if we deem necessary.
